

# My favorite Web sites

## **Chris Kouloukas**

*Founder and CEO of Soho Hero  
Atlanta*

### **www.baseballlibrary.com**

Anyone who loves baseball can find the stats for their favorite players. This site gives context and meaning to the numbers, through the stories behind them.

**Kouloukas**

### **www.usabaseball.com**

This site is great for any baseball junkie. Scouting is a big part of any successful organization. This site previews the up-and-comers in baseball today.

### **www.jimcollins.com**

Provides a consistent grounding that a great company is not a destination. It's a journey.

### **www.earth.google.com**

Wow! Talk about getting a different view of the world — this site let's you play with a wide range of perspectives.

### **www.teconline.com**

Great organization dedicated to increasing the effectiveness and enhancing the lives of chief executives.

### **www.businessstvchannel.com**

No fluff, just the facts on how to grow your business. Business resources on your timetable.
